Nestled on a quiet, tree-lined street near the prestigious Tenafly border, this beautifully renovated and spacious home is an absolute must-see. This property is truly turnkey, featuring a newly roof, new siding, central HVAC, and new carpeting. An electric car charging station adds to the modern conveniences, making it ready for you to move in and enjoy. Upon entry, a welcoming foyer leads to the main living area. This floor offers two spacious bedrooms and a full bath. Ascend the stairs to discover the entire second floor dedicated to a luxurious primary suite. This private retreat boasts a beautiful double vanity, a stand-up shower, and a spacious walk-in closet, with plenty of extra room for an office or sitting area. From the dining area and a modern kitchen with a large island perfect for casual meals or entertaining, a glass sliders open to a private paver patio and a peaceful, fenced-in backyard, where a tranquil fountain creates a perfect outdoor escape. Finally, finished basement provides a large recreation area and a dedicated media room or guess room, full bath, laundry and access to garage.
